WELCOME TO

Bright Starts Nursery Glasgow

At Bright Starts Glasgow, we provide a warm, nurturing environment where children feel safe, happy, and excited to learn. Our dedicated team encourages exploration, creativity, and confidence-building through play, structured activities, and outdoor adventures. Not all activities take place within the nursery itself; we have lots of outings in connection with topics and interests covered in the nursery. We also provide daily feedback for each child from the staff directly caring for your child.

Conveniently located in Balmore Industrial Estate, close to the M8 motorway, our nursery is ideal for parents working in the Industrial Estate or commuting locally or to and from Glasgow city centre and surrounding areas. We are also within easy reach of Possilpark & Parkhouse Train Station and regular bus routes, making us perfect for commuting families.

We offer high-quality childcare for children aged 6 weeks to 5 years in a purpose-built nursery with engaging indoor and outdoor play areas. Open 51 weeks a year, Monday to Friday from 7:30 am to 6:00 pm, we provide flexible childcare to support your family's needs. Bright Starts is more than just a nursery—it's a place where your child will be embraced as an individual and can grow, explore, and shine.

OUR MISSION

A Safe & Nurturing Environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure, and eager to learn. We focus on nurturing independence, curiosity, and social skills while embracing each child's unique background.

By working closely with our parents & carers, we ensure a smooth journey through nursery life, creating positive experiences that support every stage of development.

At Bright Starts Glasgow the activities we offer are designed to spark children's curiosity and imagination while further developing their learning. In addition to the activities provided on-site, children also benefit from regular outings in the local community, celebrations of festivals, and family days. For their final year at nursery, we celebrate their journey to the next stage of education with a special graduation ceremony!

"Absolutely cannot recommend this nursery highly enough. Our son has recently joined, and from the very first enquiry to his settling-in period, the entire experience has been exceptional. The staff are incredibly welcoming and professional, and they've created a nurturing, safe environment where our little one feels comfortable and happy."

Our Manager

Sam Boyle
Nursery Manager

Hi, I'm Sam.
I'm the Manager here at Bright Starts Glasgow and have worked in the childcare sector for over eight years. During this time, I've gained experience with all age groups, from babies to preschoolers, and developed a real passion for creating environments where every child can flourish.

I love supporting my team to grow in confidence and practice, helping them deliver the highest quality of care and learning. Building positive relationships with families and ensuring that children feel safe, happy, and inspired each day is at the heart of everything I do.

At Bright Starts Glasgow, I take great pride in leading a warm, nurturing, and engaging setting where children can thrive and staff feel supported to achieve their best.

"I honestly can't recommend this nursery enough! All three of my children have been here, and it's been an amazing experience every time. The communication is spot-on—I get regular updates through the app, and the staff are always happy to share how my little ones have been doing. I've noticed such a difference in their language and speech development since attending."

Settling In & Play

Free Settling In Sessions:

At Bright Starts Glasgow we understand that every child is unique and starting nursery is a big transition not only for the child but also for the parents and carers. Every child is assigned a dedicated keyworker who will be your first point of contact keeping you informed and involved in your child's progress, our settling in schedules are designed to ensure every child and family has the opportunity to build secure attachments and connections with their keyworker.

We will spend time with the child and with the parents/carers to begin to learn as much about the child and family as possible ahead of the nursery settling in sessions. This gives our parents the opportunity to share any relevant information, complete the child's personal plan and ask any questions. The settling-in schedule will then progress to sessions within the playroom, the parent or carer can settle their child and then choose to stay at nursery in our parent areas or to leave nursery and return a short time later. This is designed to last for two weeks before your child's start date, ensuring they feel safe, comfortable, and confident.

Outdoor Play & Learning:
Outdoor learning is an integral part of our daily routine, offering children a multi-sensory, engaging environment to explore, play, and connect with the world around them. It provides a refreshing change from indoor settings, supporting different learning styles and encouraging curiosity.

Nutrition and Food:
We provide freshly prepared, balanced meals cooked in-house by our dedicated chef. Following 'Setting the Table' Nutritional Guidance, we ensure all meals meet early years food standards in Scotland. Menus are and tailored based on child and parent feedback, accommodating allergy and dietary requirements. Mealtimes are a social experience, encouraging children to interact, make choices, and develop independence in feeding themselves.

Other Activities:
Beyond our daily activities, children enjoy regular outings, festival celebrations, and family days, helping them connect with their community. In their final year, we celebrate their journey with a special graduation, marking their transition to the next stage of education with pride and excitement!
