day nursery

WELCOME TO

Bright Starts Nursery Greenock

At Bright Starts Greenock, we provide a warm, nurturing environment where children feel safe, happy, and excited to learn. Our dedicated team encourages exploration, creativity, and confidence-building through play, structured activities, and outdoor adventures. Not all activities take place within the nursery itself; we have lots of outings in connection with topics and projects covered in the nursery. We also provide daily feedback for each child from the staff directly caring for your child.

Conveniently located in the heart of Greenock, close to the M8 motorway, our nursery is ideal for parents working locally or commuting to and from Greenock, Port Glasgow, Gourock, and surrounding areas. We are also within easy reach of the local train stations and regular bus routes, making us perfect for commuting families.

We offer high-quality childcare for children aged 12 weeks to 5 years in a purpose-built nursery with engaging indoor and outdoor play areas. Open 51 weeks a year, Monday to Friday from 7:30 am to 6:00 pm, we provide flexible childcare to support your family's needs. Bright Starts is more than just a nursery—it's a place where your child will be embraced as an individual and can grow, explore, and shine.

OUR MISSION

A Safe & Nurturing Environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure, and eager to learn. We focus on nurturing independence, curiosity, and social skills while embracing each child's unique background.

We work closely with our parents and carers, we ensure a smooth journey through nursery life, creating positive experiences that support every stage of development.

At Bright Starts Greenock the activities we offer are designed to spark children's curiosity and imagination while further developing their learning. In addition to the activities provided on-site, children also benefit from regular outings in the local community, celebrations of festivals, and family days. For their final year at nursery, we celebrate their journey to the next stage of education with a special graduation ceremony!

"I can't fault anything about this nursery. My daughter absolutely loves going to nursery and seeing her friends and teachers. The teachers within my daughter's room are fantastic at encouraging and teaching independent skills to her (dressing, teeth brushing & toilet). My daughter has learned so much from being at nursery (letter and number identification)."

★★★★★

Chantelle B (Mother of Child)

Our Team

Staff

Our staff team consists of experienced and professionally qualified early years professionals, along with dedicated modern apprentices who are working towards their qualifications. Each member is highly skilled in guiding children through engaging, play-based learning experiences that nurture curiosity and development.

To ensure the highest standards of care and education, all staff participate in ongoing professional development, continuously enhancing their skills and knowledge. All staff go through our safer recruitment procedures prior to starting work with us, including vetting through the Disclosure Scotland Protecting Vulnerable Groups Scheme, and there is always one senior member of staff assigned to each playroom in the nursery.

👶 Qualified & Skilled Staff

Our staff hold recognised childcare qualifications and undergo continuous training . All qualified staff hold Paediatric First Aid Certificates.

❤️ Individualised Support

Each child is supported in their learning journey with patience, care, and tailored guidance to help them reach their full potential.

Our Manager

Diane Munro

Nursery Manager

I began my career in Early Learning and Childcare in 2011 and quickly found my passion for supporting children and their families. Over the years, I've gained valuable experience working across a variety of settings, building strong relationships with both children and parents.

I hold an HNC in Childhood Practice and a BA in Childhood Practice from Strathclyde University, which has strengthened my knowledge and understanding of child development. For the last nine years, I managed an outdoor nursery, where I developed a real passion for outdoor learning and gained incredible experience supporting children's development in natural environments.

Throughout my career, I have enjoyed creating nurturing and engaging learning experiences that help children grow in confidence and independence. I now enjoy using my knowledge and experience at Bright Starts to support both the children in our care and my fellow early years practitioners.

> I have no faults with this nursery. My little boy has been attending now for several months and all the staff are so friendly and caring which makes drop off a lot easier for me. The nursery gives regularly updates and photos on what activities your child has been doing. They use an app which you have access to where you can see how your child has done that day ie eating/naps and nappy changes.

> Lynsey S (Mother of Child)

> The whole team are great! They have implemented many changes to make the establishment more homely, interactive and fun for the children and my daughter loves her time learning and playing with her friends.
> From the new app to home cooked meals and everything in between I cant fault them and would recommend Bright Starts to anyone looking for childcare in the area.

Settling In & Play

Free Settling In Sessions:

At Bright Starts Greenock we understand that every child is unique and starting nursery is a big transition not only for the child but also for the parents and carers. Every child is assigned a dedicated keyworker who will be your first point of contact keeping you informed and involved in your child's progress, our settling in schedules are designed to ensure every child and family has the opportunity to build secure attachments and connections with their keyworker.

We will spend time with the child and with the parents/carers to begin to learn as much about the child and family as possible ahead of the nursery settling in sessions. This gives our parents the opportunity to share any relevant information, complete the child's personal plan and ask any questions. The settling-in schedule will then progress to sessions within the playroom, the parent or carer can settle their child and then choose to stay at nursery in our parent areas or to leave nursery and return a short time later. This is designed to last for two weeks before your child's start date, ensuring they feel safe, comfortable, and confident.

Outdoor Play & Learning:
Outdoor learning is an integral part of our daily routine, offering children a multi-sensory, engaging environment to explore, play, and connect with the world around them. It provides a refreshing change from indoor settings, supporting different learning styles and encouraging curiosity.

Nutrition and Food:
We provide freshly prepared, balanced meals cooked in-house by our dedicated chef. Following 'Setting the Table' Nutritional Guidance, we ensure all meals meet early years food standards in Scotland. Menus are and tailored based on child and parent feedback, accommodating allergy and dietary requirements. Mealtimes are a social experience, encouraging children to interact, make choices, and develop independence in feeding themselves.

Other Activities:
Beyond our daily activities, children enjoy regular outings, festival celebrations, and family days, helping them connect with their community. In their final year, we celebrate their journey with a special graduation, marking their transition to the next stage of education with pride and excitement!

Childhood Pathway

Follow Your Childs Journey

At 6 months

Babies explore the world through sight, sound and touch. We nurture their early development with sensory play, calming routines and warm, responsive relationships every day.

At 1 year

First steps, first words, first friendships. Our nurturing, attentive environment helps children explore safely, discover joy in movement and begin expressing their thoughts with growing pride.

At 2 years

Curiosity takes off. Children begin playing alongside others, jumping in puddles and testing limits. We support their growing independence through playful purposeful exploration every day.

At 3 years

Questions bloom and friendships deepen. Children become little thinkers, eager to learn, share and role model as their confidence and communication grow beautifully.

At 4-5 years

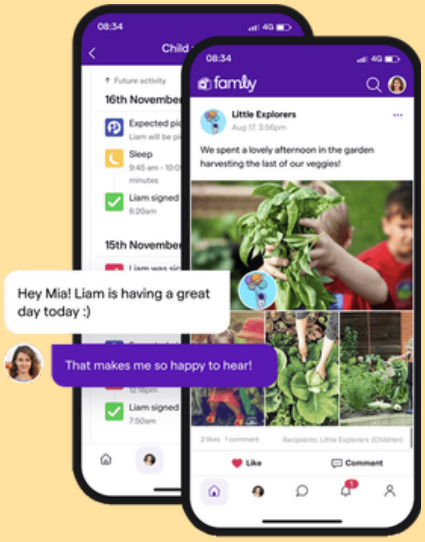

Children shine as they discover who they are. Decision-making, imagination and social understanding flourish - readying them for school and a world full of possibilities.

Parent Communication

At Bright Starts, we believe strong partnerships with parents are key to every child's success. That's why we use the Famly app to keep you connected, informed and involved throughout your child's day.

From meal times and nap updates to learning observations and proud moments, you'll receive real-time notifications straight to your phone, tablet, or laptop. You can message your child's key worker directly, view daily photos and videos, and track developmental milestones.

We understand how important it is to feel included in your child's day—even when you're not there. With Famly, you're always just a tap away from their world of discovery, play, and progress.

Instant Updates

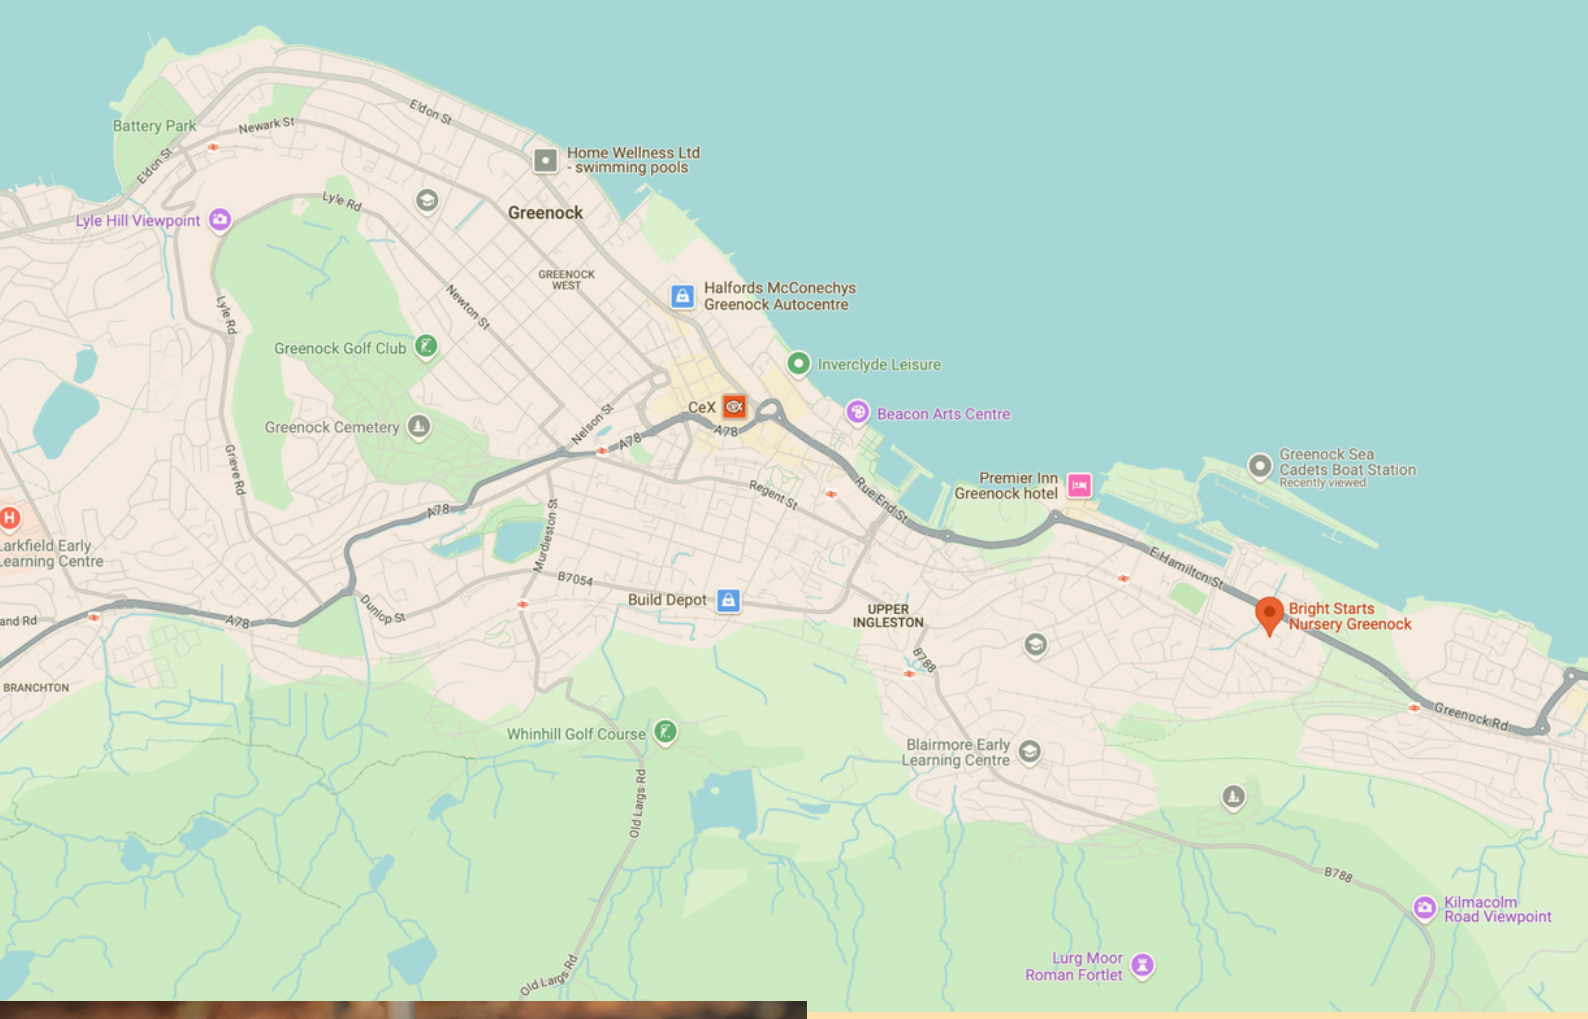

Get instant updates with photos, videos and activity highlights sent directly to your phone, tablet or laptop—keeping you connected to your child's learning and daily experiences.

Two-Way Communication

Message your child's key person directly, share updates from home, or celebrate milestones together — all through a secure, easy-to-use platform.

Learning & Development Insights

Follow your child's development through regular updates linked to the Curriculum for Excellence, with clear observations and milestones shared by our team.

Follow Us:

Bright Starts Nursery is securely monitored by a CCTV surveillance system. The Nursery Manager and the Director are responsible for the operation of the system which is only accessible from within the nursery for ensuring compliance within this policy.

The system has been installed by the nursery with the primary purpose of monitoring and ensuring the safety of all the users, staff, children, parents and visitors, consistent with the respect for the individual's privacy. CCTV will also provide security to our building, deterring those who have criminal intent.

The system will not be used to provide images for the world-wide-web or record any sound.
