WELCOME TO

Bright Starts Nursery Inchinnan

At Bright Starts Inchinnan, we provide a warm, nurturing environment where children feel safe, happy, and excited to learn. Our dedicated team encourages exploration, creativity, and confidence-building through play, structured activities, and outdoor adventures. Not all activities take place within the nursery itself; we have lots of outings in connection with topics and projects covered in the nursery. We also provide daily feedback for each child from the staff directly caring for your child.

Conveniently located in Inchinnan Business Park, Renfrewshire, near the M8 motorway and St James Interchange, our nursery is ideal for parents working in the Business Park or commuting to and from Glasgow and areas over the Erskine Bridge. We offer high-quality childcare for children aged 6 weeks to 5 years in a purpose-built nursery with engaging indoor and outdoor play areas. Open 51 weeks a year, Monday to Friday from 7:30 am to 6:00 pm, we provide flexible childcare to support your family's needs. Bright Starts is more than just a nursery—it's a place where your child will be embraced as an individual and can grow, explore, and shine.

OUR MISSION

A Safe & Nurturing Environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure, and eager to learn. We focus on nurturing independence, curiosity, and social skills while embracing each child's unique background.

By working closely with our parents & carers, we ensure a smooth journey through nursery life, creating positive experiences that support every stage of development.

At Bright Starts Inchinnan the activities we offer are designed to spark children's curiosity and imagination while further developing their learning. In addition to the activities provided on-site, children also benefit from regular outings in the local community, celebrations of festivals, and family days. For their final year at nursery, we celebrate their journey to the next stage of education with a special graduation ceremony!

"Amazing experience with this nursery. Initially, I was nervous about my daughter starting nursery, but the staff were incredibly friendly, kind, and understanding. They took the time to make her feel comfortable and ease her in. Now, she runs in every day with a big smile, and I've seen a huge boost in her confidence since starting."

Really fantastic nursery. My son attended here from aged 1-2 and spent time in the baby room and tweeny room. The staff were fantastic, taking a deep interest in my kids development, building a relationship with him and looking after his wellbeing in every way. Communication was fantastic both via an app and in person at the start and end of each day. Huge thanks to all involved.

Settling In & Play

Free Settling In Sessions:

At Bright Starts Inchinnan we understand that every child is unique and starting nursery is a big transition not only for the child but also for the parents and carers. Every child is assigned a dedicated keyworker who will be your first point of contact keeping you informed and involved in your child's progress, our settling in schedules are designed to ensure every child and family has the opportunity to build secure attachments and connections with their keyworker.

We will spend time with the child and with the parents/carers to begin to learn as much about the child and family as possible ahead of the nursery settling in sessions. This gives our parents the opportunity to share any relevant information, complete the child's personal plan and ask any questions. The settling-in schedule will then progress to sessions within the playroom, the parent or carer can settle their child and then choose to stay at nursery in our parent areas or to leave nursery and return a short time later. This is designed to last for two weeks before your child's start date, ensuring they feel safe, comfortable, and confident.

Outdoor Play & Learning:
Outdoor learning is an integral part of our daily routine, offering children a multi-sensory, engaging environment to explore, play, and connect with the world around them. It provides a refreshing change from indoor settings, supporting different learning styles and encouraging curiosity.

Nutrition and Food:
We provide freshly prepared, balanced meals cooked in-house by our dedicated chef. Following 'Setting the Table' Nutritional Guidance, we ensure all meals meet early years food standards in Scotland. Menus are and tailored based on child and parent feedback, accommodating allergy and dietary requirements. Mealtimes are a social experience, encouraging children to interact, make choices, and develop independence in feeding themselves.

Other Activities:
Beyond our daily activities, children enjoy regular outings, festival celebrations, and family days, helping them connect with their community. In their final year, we celebrate their journey with a special graduation, marking their transition to the next stage of education with pride and excitement!
