WELCOME TO

Bright Starts Nursery Perth

At Bright Starts Perth, we provide a warm, nurturing environment where children feel safe, happy, and excited to learn. Our dedicated team encourages exploration, creativity, and confidence-building through play, structured activities, and outdoor adventures. Not all activities take place within the nursery itself; we have lots of outings in connection with topics and projects covered in the nursery. We also provide daily feedback for each child from the staff directly caring for your child.

Conveniently located near Perth city centre, close to the M90 motorway, our nursery is ideal for parents working in the Business Park or commuting locally or to and from Perth, Dundee and surrounding areas. We are also within easy reach of Perth Bus Station and Train Station, making us perfect for commuting families.

We offer high-quality childcare for children aged 6 weeks to 5 years in a purpose-built nursery with engaging indoor and outdoor play areas. Open 51 weeks a year, Monday to Friday from 7:30 am to 6:00 pm, we provide flexible childcare to support your family's needs. Bright Starts is more than just a nursery—it's a place where your child will be embraced as an individual and can grow, explore, and shine.

OUR MISSION

A Safe & Nurturing Environment

Our aim is to provide a welcoming and stimulating environment where children feel happy, secure, and eager to learn. We focus on nurturing independence, curiosity, and social skills while embracing each child's unique background.

By working closely with our parents & carers, we ensure a smooth journey through nursery life, creating positive experiences that support every stage of development.

At Bright Starts Perth the activities we offer are designed to spark children's curiosity and imagination while further developing their learning. In addition to the activities provided on-site, children also benefit from regular outings in the local community, celebrations of festivals, and family days. For their final year at nursery, we celebrate their journey to the next stage of education with a special graduation ceremony!

"This nursery has been incredibly welcoming to our family... They adapt every month to our changing routine and provide an excellent service. The practitioners within the rooms are so lovely and treat you like family and really develop great bonds with the children. Our child absolutely loves going to nursery and looks forward to it every day.

Our Manager

Steven White

Nursery Manager

I am Steven White, the Nursery Manager at Bright Starts Perth. I have worked with children and families for many years, leading nursery teams and delivering training and coaching in Early Years Education — something I'm passionate about.

I enjoy creating play spaces and learning experiences that go beyond the ordinary, giving children the freedom to explore and thrive. Supporting motivated teams is a key part of my role, ensuring we provide the best possible outcomes for every child.

As a father of two young boys and a baby daughter who is in attendance at this nursery, I understand how important these early years are. My family and I love spending time outdoors, and I bring that same passion for outdoor learning into the nursery. You might also hear me playing the guitar, sharing music and songs with the children.

> This nursery has such a warm and welcoming environment . The staff are caring and attentive, always ensuring that my daughter feels safe and supported. My daughter has enjoyed all the activities and has developed new skills while making friends. The staff also keep parents updated, which I really appreciate. Overall, a fantastic place for young child to learn and grow!

Settling In & Play

Free Settling In Sessions:

At Bright Starts Perth we understand that every child is unique and starting nursery is a big transition not only for the child but also for the parents and carers. Every child is assigned a dedicated keyworker who will be your first point of contact keeping you informed and involved in your child's progress, our settling in schedules are designed to ensure every child and family has the opportunity to build secure attachments and connections with their keyworker.

We will spend time with the child and with the parents/carers to begin to learn as much about the child and family as possible ahead of the nursery settling in sessions. This gives our parents the opportunity to share any relevant information, complete the child's personal plan and ask any questions. The settling-in schedule will then progress to sessions within the playroom, the parent or carer can settle their child and then choose to stay at nursery in our parent areas or to leave nursery and return a short time later. This is designed to last for two weeks before your child's start date, ensuring they feel safe, comfortable, and confident.

Outdoor Play & Learning:
Outdoor learning is an integral part of our daily routine, offering children a multi-sensory, engaging environment to explore, play, and connect with the world around them. It provides a refreshing change from indoor settings, supporting different learning styles and encouraging curiosity.

Nutrition and Food:
We provide freshly prepared, balanced meals cooked in-house by our dedicated chef. Following 'Setting the Table' Nutritional Guidance, we ensure all meals meet early years food standards in Scotland. Menus are and tailored based on child and parent feedback, accommodating allergy and dietary requirements. Mealtimes are a social experience, encouraging children to interact, make choices, and develop independence in feeding themselves.

Other Activities:
Beyond our daily activities, children enjoy regular outings, festival celebrations, and family days, helping them connect with their community. In their final year, we celebrate their journey with a special graduation, marking their transition to the next stage of education with pride and excitement!
